ROI EXAMPLES FROM AEGIS HEALTH GROUP CLIENTS

For 20 years Aegis has helped hospitals across the country form lasting and profitable relationships with area employers by pioneering the concept of employer-directed health-management partnerships.

Today, Aegis' program can be found in many of the most progressive-thinking for-profit, non-profit and academic medical centers across the country.

No other company has been able to match the breadth of services, track record and bottom-line proven performance of Aegis' reimbursement-sensitive business-development strategies.
